SIAN TECH & CLEANING SERVICES

ABOUT US

We are the leading cleaning services company in the UAE. We are a Dubai based company which provides all types of cleaning services for residential and commercial clients. At Sian Tech & Cleaning Service, we know how important the cleanliness is. That is why we are working for excellence in cleaning services.

We are on a mission to keep the environment clean. We do care about environmental and animal causes. We use natural and non-toxic cleaning products. We boycott the companies who use animals to test their products.

We save you time and money by offering premium cleaning services at a low cost. With the help of trained and skilled staff members, we have experienced double-digit growth during the past few years.

We are a local company with global values. Our services are specially designed to serve the people living and working in the UAE. Our services are better and our rates are less than the competitors.
